We've Got a COOL Deal For You

Clatskanie PUD has teamed up with JACO Environmental to recycle your old refrigerators and freezers. This new program offers you curbside recycling for eligible refrigerators and freezer; a \$30.00 credit on your electric bill; and a way to save energy and help out the environment. In order to qualify, all units must be empty and working at the time of pick-up and be at least 10 cubic feet in size. If you would like to participate, please call JACO Environmental, Inc. at 1-866-444-8907 or visit www.jacoinc.net to schedule an appointment. JACO will determine your eligibility and schedule a collection date and time.

Consider replacing your old refrigerator or freezer with a new Energy Star model. The PUD offers a \$50.00 credit to your electric bill if you purchase a model that qualifies. If you have questions or would like more information about this new program or about our appliance rebates, please call a Clatskanie PUD Energy Expert at (503) 728-2163 or visit our website: www.clatskaniepud.com
