### CPUD Employee Highlights

In June, Cary Gray joined Clatskanie PUD as the new Distribution Design Specialist. Cary has over 14 years of journeyman lineman experience in addition to experience as a field engineer technician. Cary and his wife Keri have four children which keeps them all busy with sports although Cary still finds time for hunting and sturgeon fishing.

CPUD also has extra summer help with the addition of student intern, Blake Salisbury. A Clatskanie High School graduate, Blake is in his third year of college at Oregon State University where is working towards his Bachelor's of Science in Electrical and Computer Engineering with a focus on Power Systems.

Welcome Cary and Blake!
