## Celebrating Public Power

Clatskanie PUD is celebrating Public Power Week along with more than 2,000 other electric utilities across America. Public Power provides not-for-profit electricity to more than 45 million Americans. Here is how Public Power benefits the community:

**Low Rates      Local Control      Not-for-profit**  
**Excellent Reliability      Economic Development**  
**Safe Operation      Local Employment      Efficient Service**

**PUBLIC  
POWER**  
**An American  
Tradition  
That Works**

In honor of Public Power Week, we are having a crossword puzzle contest for our customer-owners. Three prizes in the amount of \$300 each will be given away to use towards the purchase of a qualifying ENERGY STAR appliance. For kids 12 and under, we have a coloring contest. Come into our office or visit our website [www.clatskaniepud.com](http://www.clatskaniepud.com) for complete details. Entries for both contests must be turned into CPUD by Oct. 17.

### Coming Next Month

Have you put together a Power Outage Kit? Winter is fast approaching and customers should be thinking about how to be prepared should the power go out, either briefly or for a long period of time. CPUD is preparing for the upcoming storm season and will be ready for whatever mother nature brings.
