### PUBLIC POWER WEEK

**Public Power Week  
October 4-10, 2009**

Clatskanie PUD is celebrating Public Power Week along with more than 2,000 other electric utilities that collectively provide electricity on a not-for-profit basis to 45million Americans. This year marks the 23rd year of celebrating Public Power Week, a national event sponsored in conjunction with the American Public Power Association (APPA) in Washington, D.C. APPA is the national service organization for community- and state-owned electric utilities.

CPUD would like to invite its customer-owners to join in the celebration by enjoying refreshments in our lobby October 5-9 during regular business hours. Customers are eligible to receive a free compact fluorescent light bulb when they pay their bill or bring in a non-perishable food item for our canned food drive. The food drive will continue throughout the entire month of October and CPUD employees plan to match all items donated, which will then be taken to the Columbia Pacific Food Bank. “We are proud to serve a public power community says Merle Gillespie, President of the CPUD Board of Directors. Our focus goes beyond serving customers. We serve the community.”

#### New Employee

Ramin Shulda is the newest face around Clatskanie PUD, accepting a position as journeyman lineman. Ramin recently completed his lineman apprenticeship and is excited to be working at the PUD. Ramin and his wife Nicole, along with their four children, are settling in to their home they just purchased in the Alston area. Welcome!
