

## Have you signed up for Clatskanie PUD's Budget Payment Plan yet?

The budget payment plan is a 12 month program available to residential and small commercial customers of Clatskanie PUD. The program is designed so your electric bill will be the same amount each month, giving you the certainty of not having to pay higher bills in the winter. We will determine your average monthly payment based on past usage and payment history for the last 12 months. On an annual basis, your actual electricity usage is compared to the estimated usage and your account will be adjusted. In this true-up process, we will credit your account for overpayments or debit it for underpayments.

Contact one of our Utility Service Representatives to see if you qualify. They will analyze your account and discuss all of the program options with you. As an added bonus, Clatskanie PUD will credit your account \$20 when you sign up for this program. Don't miss out on your \$20, call us today!
