P.O. Box 216 Clatskanie, OR 97016
(503) 728-2163 (503) 728-2812 FAX
Greg Booth, General Manager

While many Clatskanie PUD customers may have experienced momentary “flickers,” the recent powerful wind storms caused only three short power outages for customers around the area. The first outage occurred Sunday night with 12 customers on Deer Hill and Mountain View Lane losing power followed by 6 customers on Clatskanie Heights Road early Monday morning. The same 12 customers on Deer Hill and Mountain View Lane yet again saw another power outage early Tuesday morning as the storm swept through.

Each of the outages was due to downed trees and limbs on the power lines, with no broken wires or damage reported. Line crews worked quickly and had power restored to all customers in less than two hours. “We fared well from this recent storm and we credit that to our aggressive tree trimming practices and continuous commitment to improving system reliability” says Greg Booth, General Manager. Customers can report power outages to the PUD at any time by calling (503) 728-2163.
