

PUBLIC RATE HEARING FOR CLATSKANIE PUD CUSTOMERS

The Clatskanie People's Utility District will hold a Public Rate Hearing for customer comment on the proposed rate increase on Thursday, September 21, 2017 at the Board of Directors Workshop. The workshop will start at 5:30 pm with a summary presentation of the staff recommendation for the rate increase that was presented at the August 16, 2017 board workshop. The meeting will then be opened up for public comment. The regular monthly meeting of the Board of Directors will be held at 7:00 pm following the Public Rate Hearing. The meeting will be held in the Clatskanie PUD community room, 495 E. Columbia River Hwy, Clatskanie, OR 97016.

This proposed rate increase is a result of the Bonneville Power Administration increase in wholesale power and transmission costs, a court mandated spill which reduces our surplus power and increases costs from BPA, increased non-power operating expenses, and to reduce the District's debt load to prepare for the loss in revenue in 2021 from the phase out of the WGA dividends.

The rate recommendation presentation packet is available on the Clatskanie PUD website at www.clatskaniepud.com under the Watts Happening Section and printed copies are available in the lobby of the office.
