

Clatskanie PUD Heat Pump Rebate Checklist

- Schedule a home audit to verify home's heating type by calling the PUD at 503-728-2163.
- Choose a PTCS certified HVAC contractor. A list of local contractors can be found on our website; www.clatskaniepud.com.
- Qualify for one rebate only, depending on existing heating system and efficiency and type of system installed.

\$500 Rebate – PTCS heat pump upgrade from heat pump, zonal, or adding a heat pump to a non-electric furnace.

\$700 Rebate – PTCS variable speed heat pump upgrade from heat pump or zonal

\$1,400 Rebate – PTCS heat pump upgrade from electric forced air furnace

\$1,700 Rebate – PTCS variable speed heat pump upgrade from electric forced air furnace

\$300 Rebate – Upgrade from electric heating system to federal minimum standard heat pump with PTCS commissioning, controls, and sizing

- Contractor must complete PTCS heat pump form. Contractor will turn in form directly to the PUD.
- Save invoice.
- Call to schedule an appointment for PUD representative to verify the installation and collect invoice.
